Kent,

This morning Patty Scott (512.239.0637), TCEQ attorney, told me that Karen Walters (440.347.5028), Lubrizol attorney, will accept calls from other parties that might be interested in joining with Lubrizol as a PRP group to resolve issues at the CES site.

The expedient way for you to request copies of previously requested FOIA releasable copies of documents (invoices, manifests, etc.) that EPA has obtained from CES Environmental Services, Inc. is via the following FOIA online web site:

<https://foiaonline.regulations.gov/foia/action/public/search>

April 30, 2015, is the EPA's target date for copies of these previously requested FOIA redacted documents to be viewable at the above URL. **After April 30, 2015**, when you go to this site:

1. Click on tab titled Search FOIA Requests.
2. In the Search Criteria box:
 - A. Search for - "EPA-R6-2015-005289"
 - B. Type - Leave all four boxes checked
 - C. Agency - Select U.S. Environmental Protection Agency
3. Click the search tab.

If you have any other questions please call me.

Thanks,

Bob Werner
